

## Cause-and-Effect Essay

### Writing Workshop

#### Peer Response Guide

A cause-and-effect relationship can sometimes be difficult to explain. You may completely understand the relationship, but your readers might remain unconvinced. Discover how successful your essay is by asking a peer to read it and to answer the questions below.

1. What cause-and-effect relationship did I describe?

**Response:**

**Suggestions for Revision:**

2. What are some of the supporting statements I used?

**Response:**

**Suggestions for Revision:**

3. For what part was the evidence most convincing?

**Response:**

**Suggestions for Revision:**

Name \_\_\_\_\_

Date \_\_\_\_\_
