

Problem-Solution Essay

Writing Workshop

Prewriting

Once you've decided on a problem to address in your essay, use the chart below to brainstorm possible solutions. In the left-hand column, list every possible solution that comes to mind. Then, think about each of these solutions and choose the one that seems best. Write this solution in the right-hand column and list the steps that would be required to achieve it.

Problem:	
↓	
Possible Solutions: 1. 2. 3. 4. 5. 6.	Best Solution: Steps Required: 1. 2. 3. 4.
